

1. Identification of the Substance and of the Company

- 1.1 Identification of the substance: Vegetable Butter
Trade name: Cocoadan
INCI name: See Section 3.1
- 1.2 Recommended use: Raw material for cosmetic formulations
- 1.3 Identification of manufacturer/distributor:
Manufacturer/distributor: International Cosmetics Science Centre A/S
Street address: Cedervej 7
Zip Code/City: DK-8462 Harlev J
Phone: +45 86 22 99 86
+45 87 43 10 82
Email: info@icsc.dk
- 1.4 Emergency Contact: +45 86 22 99 86
1.5 Alternate Emergency Contact: +45 87 43 10 82

2. Hazards Identification

- 2.1 Special hazard for personnel and environment: Not classified as dangerous according to EU 1907/2006 and EU 2020/878
Not classified as dangerous in relation to EC 1272/2008 and amendments.
GHS Classification in accordance with 29 CFR 1910.1200 (OSHA HCS).
Labelling: Not subject to labelling requirements according to EC 1272/2008.
GHS Classification in accordance with 29 CFR 1910.1200 (OSHA HCS).
Other hazards: None

3. Composition/Information on Ingredients

- 3.1 Chemical description (mixture): Triacylglycerol

Description:	CAS no.:	EC/EINECS no.:
Vegetable Oil	68956-68-3	273-313-5

4. First Aid Measures

- 4.1 General measures:
- 4.2 Upon inhalation: Not a direct hazard. Remove from area of exposure; seek medical attention for coughing or choking.
- 4.3 Upon skin contact: Not dangerous under normal conditions.
- 4.4 Upon eye contact: Rinse thoroughly with a lot of water for some minutes.
- 4.5 Upon ingestion: Not a direct hazard.
- 4.6 Acute or delayed symptoms: None
- 4.7 Medical or special treatment: None

OUR QUALITY - YOUR STRENGTH

To the best of our knowledge the information contained herein is correct. However, no responsibility or liability for any consequences arising from its use can be accepted, including possible patent infringement or other rights belonging to another party. Users should make their own tests for their purposes.

5. Firefighting Measures

- | | | |
|-----|------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| 5.1 | Extinguishing media: | Dry fire extinguisher, carbon dioxide. |
| 5.2 | Not to be used extinguishing media: | Water. But use water to cool fire exposed containers. |
| 5.3 | Special exposure hazard of substance or production, its combustion products and gases thereof:
Combustion products: | In case of insufficient ventilation, wear suitable respiratory equipment.

Irritation gases, carbon monoxide, carbon dioxide. |
| 5.4 | Special protection for firefighting purposes: | According to size of fire. If necessary, full protection, gas mask with independent air supply. |

6. Accidental Release Measures

- | | | |
|-----|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| 6.1 | Precautions related to personnel: | Be careful! Danger of sliding possible. Avoid contact with eyes. |
| 6.2 | Precautions related to the environment: | Try to avoid spilling. Do not empty into drain. Restrict spill to smallest possible area. |
| 6.3 | Procedure for clean-up/removal: | Cover with absorbent materiel (e.g. universal binding material, paper towels, sand, siliceous earth). Remove sources of ignition. |

7. Handling and Storage

- | | | |
|-----|----------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7.1 | Handling: | Keep away from sources of ignition - No smoking. Be careful! Danger of sliding possible. Do not heat in microwave oven. Avoid contact with eyes. Read the regulations on the label carefully. |
| 7.2 | Storage: | Store product only in closed original packaging. Keep in a cool and dark place. Keep away from heat. |
| | Requirement for storage facilities and containers: | Air and waterproof glass or plastic resin containers. Uncoated containers not suitable. |
| | Additional storage conditions remarks: | The lower the storage temperature the better will be the storage stability. |
| | Temperature: | Preferably below 10 °C. |

8. Exposure Controls / Personal Protection

- | | | |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8.1 | Additional remarks for technical equipment devices:
Exposure limits: | If necessary melt in water bath.

N/A |
| 8.2 | Exposure Controls:
Measures for general protection and hygiene:

Personal protection devices:
Respiratory protection:
Hand/skin protection:

Eye protection: | N/A
Handle in accordance with industrial hygiene and safety practices.

No special respirator needed.
Wear suitable gloves and normal protection clothing or apron.
Eye security glasses, with side shields. |

OUR QUALITY - YOUR STRENGTH

To the best of our knowledge the information contained herein is correct. However, no responsibility or liability for any consequences arising from its use can be accepted, including possible patent infringement or other rights belonging to another party. Users should make their own tests for their purposes.

9. Physical and Chemical Properties

9.1 Appearance:

Form:	Solid hard fat
Color:	White to pale yellow
Odor:	Characteristic odour

9.2 Data relevant to safety:

Change in physical state:

Melting point: 30 - 35 °C

Boiling point: >300 °C

Smoke point: 150 - 200 °C

Flash point (AOCS Cc 9a-48): >250 °C

Auto-ignition temperature: >300 °C

Fire provoking characteristics: Temperature of more than 200 °C and strong air circulation.

Explosive properties: The product is not explosive

Explosion limits: N/A

Vapor pressure: <0.001 mm Hg

Density: 0.90 – 0.93 g/cm³ at 20 °C

Water solubility: Insoluble

pH (10g/l): N/A

Viscosity: 40 – 50 mPa at 37 °C

9.3 Additional Data:

Thermal decomposition: At temperature more than 150 °C

Explosion limits: None

10. Stability and Reactivity

10.1 Conditions to be avoided:

Influence of light and heat.

10.2 Substance to be avoided:

Protect from humidity and strong oxidizing agents.

10.3 Dangerous decomposition product:

Irritating gases: Carbon monoxide, Carbon dioxide.

11. Toxicological Information

11.1 Toxicological testing:

No acute toxicity, no skin irritation, no eye irritation, no sensitisation.

11.2 Practical experience:

Vegetable oils have been sold and used for thousands of years as foods and cosmetics.

11.3 General considerations:

None

12. Ecological Information

12.1 Information on elimination:

Readily biodegradable.

12.2 Behavior in ecological settings:

Degrading

12.3 Toxic effects on the ecosystem:

None

12.4 Additional ecological information:

N/A

13. Disposal Considerations

13.1 Product:

Vegetable butter.

Suggested procedure:

Suitable incineration plant. Take notice of National special

	Disposal code:	regulations. Suitable waste-disposal site.
13.2	Packaging not cleaned: Suggested procedure: Suggested detergent:	Flush with lukewarm water with any cleaning detergent.
14.	Transportation Information	
14.1	Land transportation ADR/RID and GVS/GGVE: GGVS/GGVE: ADR/RID: Warning board hazard number: DOT (US): Description of goods: Further information: Dispatch symbols: Express: Mail:	Substance number. Not regulated; not dangerous goods.
14.2	Inland navigation ADN/ADNR: Further information:	
14.3	Offshore sea transportation IMDG/GGVESee: IMDG/GGVSEE CLASS: EmS number: MFAG: Marine pollutant: Correct technical name: Technical name: Proper shipping name: Further information: Shipping symbols:	
14.4	Air transportation ICAO-TI and IATA-DGR: ICAO/IATA class: Correct technical name: Technical name: Proper shipping name: Further information: Shipping symbols: Packing regulations:	Max. net: Max. net:
	PAC: CAO:	
14.5	Transportation/additional information:	Not considered as a dangerous material according to the above mentioned regulations.
15.	Regulatory Information	
15.1	Labelling:	See Section 2.
15.2	National regulations: Classification according to VbF: Water pollution class: CAS number	WGK
	Substance
